1. Diversity and Equity Committee

- a. Isabel Paine '24
 - i. Hey everyone! My name is Isabel Paine and I'm excited to be serving on the Diversity and Equity Committee. I grew up right here in Princeton, and I plan on studying at the School of Public and International Affairs with a concentration in entrepreneurship. Outside of USG, I am on the Varsity Women's Squash Team, on the governing council of Whig-Clio, and am involved in Business Today's International Conference as well as Women in Economics and Policy. I'm hoping to help foster a campus culture that promotes productive allyship and equal opportunity while straying from performative activism.
- b. Elliott Hyon '24
 - i. Hello, my name is Elliott Hyon and I'm a prospective Anthropology major from Los Angeles, CA! I'm one of the 2024 Class Council Representatives and I'm excited to work with the Social Committee in USG to plan fun events for the entire campus. In my free time, I enjoy going to the beach with my friends (pre- and hopefully post-pandemic), reading apocalyptic literature, and learning more about astrology!
- c. Tia Rozario '23
 - i. Hello! My name is Tia Rozario and I am a sophomore from Singapore. I am planning on concentrating in Neuroscience with a certificate in the Global Health program. On campus, I am a triple jumper on the Women's Track and Field Team, and also a member of ASAP (Asian Student Athletes of Princeton) and PAGV (Princeton Against Gun Violence).

I'm also the VP of Songline Slam Poetry, a program chair for PSEC, a Fields Fellow, and an opinion columnist for the Daily Princetonian. I want to work with you to confront the ways systemic inequities manifest at Princeton (and beyond) and bring substantive attention to the demands of student activists. Reach out to me any time at btelfair@princeton.edu.
