BodyHype: Spring Virtual Show

Event Description:

After the success of our first ever virtual show last semester, BodyHype Dance Co. is looking to put together a second virtual show this spring! The show is tentatively scheduled for Wed. May 4th at 9PM ET and will be virtually available to all students, on and off-campus, as well as non-members of the Princeton community (such as friends, family, and alum). Similar to last semester, our show will be accessible as a YouTube livestream. The performance will feature nine new and unique pieces across a number of dance styles. Each piece will have been individually filmed following the University's COVID guidelines and edited together. In collaboration with video editors, digital graphic designers, choreographers, and dancers, we are hoping to once again create unprecedented visuals within the virtual space. Our funding request reflects the minimum amount we will need to hire professional videographers Christabelle Tan and John Zheng, and photographer Christie Nakajima. We have already communicated with the three individuals and have them on board based on this budget. We believe that their participation will make a huge difference in the quality of our virtual show and is necessary to its completion.
